I am a BIT graduate currently freelancing as a Flutter Developer, looking to learn and improve upon my skills as well as apply my skills and experience in new environments. I have been working as a flutter developer for the **4+ years** for local as well as international clients. I am a good team player and excellent with logic and problem-solving as well as creative when it comes to delivering new features/products. I am very good at English and very good communication skills, and have a keen interest in web, mobile and game development.

## EXPERIENCE
